## SUPPLEMENT AUGUST 2021

### Our Fylde Area Events:

Events on the Fylde and Garstang are really taking off, so I have been asked to put these two in this Supplement. The Events Team on Fylde are non-stop at the moment and having had none for the past 18 months I think it's come as a shock 😊. If any members from other areas fancy helping out or just going and saying hello, I'm sure it will be appreciated, it's also something for the Family.

## **Alert – Vaccine Passport Scams:**

Action Fraud has received over 700 reports from members of the public about fake emails purporting to be from the NHS. The emails claim to be able to provide people with a “digital passport” that “proves you have been vaccinated against COVID-19”. These emails are fake, and the links within them lead to genuine-looking websites that steal your personal and financial information.

The NHS will never ask you for your bank account or card details.

The NHS will never ask you for your PIN or banking passwords.

The NHS will never arrive unannounced at your home to administer the vaccine.

The NHS will never ask you to prove your identity by sending copies of personal documents such as your passport, driving licence, bills or pay slips.

Your vaccination status can be obtained for free through the official NHS app, NHS website, or by calling the NHS on 119.
